

FBC SPRING BALLET 2021 - SCHEDULE WEEK 1

Welcome to Spring Ballet!

Please remember to communicate your advanced scheduling needs to Beverly, and if you are not able to make a scheduled rehearsal, please write a note for your choreographer. Notes can be taken to the office to be put in your teachers mailboxes.

Please also remember that you must be warmed up prior to each rehearsal. If there is a class before your rehearsal YOU NEED TO COME TO IT. If there is not a class for you to take you must be responsible to come early and warm up yourself. Studio 2 is usually open for you to warm up. Rehearsals start *exactly* on time, please arrive early enough to be dressed and ready to go on time.
