## GUIDELINES AND SAFETY PROCEDURES

- We will be limiting the size of classes, based on guidelines set by the State of VA.
- **IMPORTANT! You must sign up and not show up as we may not have a spot for you.**  
**Please email [dance@fredericksburgballet.com](mailto:dance@fredericksburgballet.com) to register.**
- We will be using all 3 outside door entrances to limit congregating in the waiting rooms
- The front row of parking will be cordoned off to allow use of the outside doors and for the safety of our dancers.
- On entry, every student will have their temperature taken by an Infrared Thermometer.
- We will have spaces marked out so that the students have their own space both on the floor and on the barre.
- NO LARGE BAGS. Just bring your shoes, water bottle, snack, phone, \$\$ for vending machine in a small bag. Each room will have cubbies for students to store items in.
- No parents, siblings, or caretakers will be allowed to remain in the building. You can stay in your car or come back when class is over. Teachers and office staff will help deliver younger children outside to their parents/caretaker.
- If you need to come in, please call 540-373-0978 prior to entry. You will need to wear a mask as currently that is the mandate issue by the State of Virginia.
- In the past, at the end of the summer we held in studio performances and invited parents and family in. Due to safety precautions, we will not be doing that but instead we will video tape the dance for you and get everyone a free copy:)
- NO WATER FOUNTAINS, so please bring a water bottle with your child's name on it.
- Dressing Room will be closed. We encourage you to come dressed or use individual bathroom for changing.
- There will be 2 FBC office staff members at all times in the office. They will clean the bathrooms and the vending machines every 30min.
- Teachers will be cleaning the barres in between each class.
- **UPDATED: Students will be required to have a face mask, but may pull them down during intense exercise.**
- If a student leaves the room, they will be required to wash their hands or use hand sanitizer
